PROFILE INFO

I am a Industrious and Enterprising 3rd year student at LNCT College pursuing my Bachelor's degree in Computer Science with a specialization in Artificial Intelligence and Data Science. With a passion for the technology and its applications, I have hard-earned a discrete set of technical skills and knowledge in various programming languages and related domains. Aim to be associated with a progressive organization which offers an excellent atmosphere to prove myself by utilizing all technical knowledge into practical and profit myself with experience and valuable knowledge for the development and growth of the organization.
